

KAÇMAZLAR OTOMOTİV TİC. SAN. LTD. ŞTİ.

ABOUT US

Kaçmazlar Automotive Co. was established in 1987 as a family company in Konya-TURKEY to serve the domestic and international automotive industry with the vision that Turkish industrialists should take their place in the world markets. Based on the experience gained and proven high quality achieved since then, Kaçmazlar Automotive has focused on manufacturing of gearbox and differential components of European commercial vehicles like Volvo, Scania, Mercedes Benz, MAN, Renault and Iveco.

As has been since 1987, Kaçmazlar Automotive has continued to make investments; our covered area has been increased to 65.000 square meters and hot forging and heat treatment plants have been added to the production lines to improve the product quality and production capacity. Now, along with over 350 staff, looking to the future much more optimistic and with more confidence. At this point, Kaçmazlar has become a well known brand in almost 80 countries in 6 continents.

The mission of Kaçmazlar Automotive is to take further this booming success, converting this success into high quality products and good service for our customers.
